July 31, 2026

To whom it may concern:

This letter confirms that A-LIGN will be conducting an **ISO/IEC 27001:2022** assessment before December 2026, of Tessl AI Ltd's services.

The scope of the examination will include Tessl AI Ltd's compliance with the **ISO/IEC 27001:2022** clauses and relevant annex controls as outlined in the statement of applicability. This assessment will cover all in scope personnel and facilities as outlined in the scope of registration.

Please don't hesitate to contact me if you have any questions.

Regards,

Stephanie Oyler
VP of Attestation Services,
A-LIGN Compliance and Security Inc.
